

REMARKS

The first sentence of the specification has been amended to claim priority to prior application no. 10/003,640. All of the earlier claims have been withdrawn from consideration. New claims 18 – 24 have been added. New independent claim 18 is base independent claim 1 rewritten to include the limitation of claim 8. In view of the present amendments, a statement deleting some of the previously named inventors is included herewith.

Prompt consideration of the newly added claims is respectfully requested.

Respectfully submitted,

A handwritten signature in cursive script, reading "Leigh P. Gregory".
